

Criminal Justice Advisory Board

Francis T. Chardo, Chairman

October 26th, 2023

Hybrid Meeting (Virtual & In-Person)

“The mission of the Dauphin County Criminal Justice Advisory Board (CJAB) is to enhance the criminal justice system and public safety through a collaborative and targeted approach which prioritizes the support of evidence-based practices and innovative strategies while maintaining fiscal responsibility and maximizing outside resources.”

AGENDA

I. Call to Order / Introductions

II. CJAB 20th Anniversary –

CJAB Fact – Since 2019, 202 – more than 50% – of Local Law Enforcement officers in Dauphin have been trained in the Crisis Intervention Team (CIT) model. Critical to Stepping-Up implementation overall, CIT set the stage for the Police Coresponder Program. Even as the Coresponder Program has grown to represent 8 departments and referrals swell to more than 3,000 annually, no more than 4-5% of those who meet a Coresponder ever enter the Criminal Justice System. Additionally, more than 60% of the referrals to Coresponders overall result in individuals being connected to services. Diversion Specialists at the Judicial Center are another link in this process improvement to screening for Behavioral Health needs. This year alone, more than 2,000 screenings have been completed with about 23% requiring services. This is down from prior years when the number was as high as 40%. Training, Connection, Screening, and Diversion all together make a significant difference to who enters the justice system locally.
