December 14th 2023

Hybrid Meeting (Virtual & In-Person)

“The mission of the Dauphin County Criminal Justice Advisory Board (CJAB) is to enhance the criminal justice system and public safety through a collaborative and targeted approach which prioritizes the support of evidence-based practices and innovative strategies while maintaining fiscal responsibility and maximizing outside resources.”

AGENDA

I. Call to Order / Introductions

II. CJAB 20th Anniversary –

CJAB Fact – During the past 20 years CJAB and its members have invested in progress and change across county law enforcement and human service systems. The Board is responsible for planning, managing and analyzing the impact of multiple projects and programs. In the past 5 years alone, CJAB members have managed more than 26 grants to reinforce the importance of strategic planning, sequential intercept mapping, technology improvements, victim services innovations, court programming enhancements, reentry coordination, best practice training, and several Stepping-Up initiative implementation processes. Competitive funding awarded during this time from the PA Commission on Crime & Delinquency (PCCD) exceeds \$2.4 million dollars. This excludes annual state and federal grant funding appropriations, victim service applications, and other inter-agency grant guidance provided by CJAB members as part of its mission. We look forward to the work ahead and are grateful to each one of you for your dedication and service to our county and community. Your support is critical to our success. Thank you.
